RE: ACE Certification Confirmation

To Whom It May Concern:

Please accept this letter as verification that Jessica Rodgers residing in CHICAGO, IL holds a current Group Fitness Instructor Certification from the American Council on Exercise.

Jessica's certification, number F104263, is valid through 11/30/2027.

Like all ACE Certified Professionals, Jessica is required to complete 20 hours of continuing education and possess a current CPR/AED certification throughout the 2-year renewal period. They are also guided by standards set forth in the ACE Code of Ethics.

For your convenience, ACE Certifications may also be verified through our online Find an ACE Certified Pro search engine at ACEfitness.org/FindanACEpro. You may also utilize the U.S. Registry of Exercise Professionals at USreps.org to verify credentials for health and exercise professionals certified by ACE and several of our partners in the industry.

Since 2003, ACE certifications have held accreditation by the National Commission for Certifying Agencies (NCCA), a standard recommended by the Health and Fitness Association (HFA) and the Medical Fitness Association (MFA). For more information about the NCCA, please visit CredentialingExcellence.org.
